

# Get SecureAlerts and Be In The Know!

Talk about a feeling of security ... SecureAlerts lets you choose from a wide range of monitoring options to help you watch your account activity. Get immediate messages via text, email, or to your Byron Bank Online Message Center. Know exactly what's happening with your money, and watch for any suspicious activity, easily and conveniently.

## Choose from Dozens of Secure Alerts. Monitor your account activity such as:

A purchase over the amount you set was just processed.

*You instantly know.*

Your account balance is under the amount you set.

*You instantly know.*

A check clears that exceeds the amount you set.

*You instantly know.*

## Delivered The Way You Want.

Messages are sent instantly using the delivery channels you choose:

### Text Messages

One of the easiest ways to receive SecureAlerts is through your text messages on your smartphone\* or wearable device.

### Email

Receive email messages about your account activity.

### Online Banking

You'll see your SecureAlerts every time you log in.

## Set Up Your Real Time SecureAlerts:

1

Log on to Byron Bank Online Banking. Select Alerts.

2

Click each Category in Alert Options to view the list of available alerts.

3

Select the Alerts you want to receive for each account. Then Check how you would like to receive them, and click Save.
